MANUAL & THERMOSTATIC RADIATOR VALVES

The AEL Gallery of Contemporary and Traditional radiator valves can be viewed on www.aelheating.com or contact our Cheshire Office for technical advice and a brochure

Note: Please see following page for Electric and Dual Fuel options.

ELECTRIC HEATING AND DUAL FUEL OPTIONS (Optional Left or Right side)

Standard Electrical Option (Pre set, oil filled, thermally cuts out at a rad temp of 68 oC)

SEO/LEFT.....£75.00
SEO/RIGHT.....£75.00

Dual Fuel Option (Pre set but also connected to central heating system circuit as an option)

DFO/LEFT.....£56.00
DFO/RIGHT.....£56.00

Thermostatic Control Option(Variable temperature control using integral adjustable dial)

TCO/LEFT.....£126.00
TCO/RIGHT.....£126.00

Dual Fuel Thermostatic Option

(Variable temperature control, oil filled also connected to central heating system)

DFTO/LEFT.....£105.00
DFTO/RIGHT.....£105.00

Note: The **AEL5 & AEL6** require a very different specification of electrical heating element and dual fuel kit than the rest of the range shown above.

When ordering any of the above for an AEL5 or AEL6:

- A. Please pre fix the relevant code above with either AEL5 or AEL6
- B. Add 50% to the prices shown for the electric and dual fuel options shown above.

IMPORTANT: Please check your specification prior to ordering and be sure that the options you have chosen are correct for your installation as these cannot be corrected once ordered.

DELIVERY

Carriage is not charged for Towel radiators if delivered with a larger radiator order where carriage has already been charged, if the Towel radiators required are not part of a larger order carriage is charged at **£55.00** EX VAT per pallet for up to **four Towel Radiators**

(Mainland UK only) Consignee responsible for off loading.

NOTE: Please verify all prices are current and specification is correct by requesting a quotation from the AEL sales office prior to ordering.
